#### **Wetland Reserve**

This is a 60-hectare wetland reserve where visitors can appreciate the beauty of nature and explore the amazing wildlife. Facilities include Stream Walk, Succession Walk, Mangrove Boardwalk and three Bird Hides situated next to the fish pond, mudflat and riverside where visitors may explore different wildlife such as egrets, herons, ducks and globally endangered black-faced spoonbill.

#### **Wetland Interactive World**

The interactive facilities, models and live animals inside indoor exhibition galleries of Wetland Interactive World featuring the importance of wetland on biodiversity are provided in here.
